AMENDMENT

Dear Sir:

In response to the Office Action mailed August 1, 2002, please enter this amendment and consider the following remarks.

IN THE CLAIMS

Please amend the claims as follows.

35. (Thrice Amended) A method facilitating a telephone call comprising:
determining whether a communication channel is available at a servicing communication station to accommodate the telephone call;
providing a telephone interface with an indication denoting the unavailability of a communication channel if it is determined that the communication station does not have a communication channel available; and
